AMEND Senate Bill No. 2804*

House Bill No. 2975

By deleting the amendatory language of Section 1 in its entirety and by substituting instead the following:

Applicants shall successfully complete the United States Medical Licensing Examination within seven (7) years from the date of whichever step of the examination was successfully completed first; provided, however, the board shall grant an extension to an applicant who is licensed in good standing in another jurisdiction when either the applicant was prevented from taking the last exam in a timely manner due to a lack of available testing facilities, or the applicant has been granted an extension or waiver from the seven (7) year period in the other jurisdiction where the applicant is licensed while the applicant has been engaged in continuous training and practice; provided, further that the seven (7) years shall not run during any period in which the applicant actively served in the armed forces of the United States.
